KENNEDY GOREMUSANDU

Fashion & Graphic Designer

Creative fashion designer fusing luxury and streetwear through bold, experimental storytelling. Skilled in garment construction, digital pattern making, and concept development. Proficient in CLO3D, Adobe Illustrator, and Procreate, with a strong eye for print, fabrication, and silhouette. Brings rapid ideation, technical precision, and collaborative energy to every design team.

EDUCATION

SUNY Buffalo State University – Buffalo, NY

Bachelor of Science in Fashion, Textile, and Technology

Concentration: **Fashion Design**

Expected graduation May 2025

FASHION & DESIGN EXPERIENCE

INDEPENDENT DESIGNER

Buffalo, NY | 2023 – Present

- Design capsule collections merging cultural narrative and innovation, using CLO3D for 3D visualization.
- Develop mood boards, flats, tech packs, and prints with Adobe Creative Suite.
- Construct garments from pattern to finish with focus on fit, proportion, and fabrication.

NEW ERA CAP DESIGN-A-THON

Buffalo, NY | Spring 2025

- Participated in New Era Cap's multi-day design challenge, transforming upcycled apparel into sculptural fashion.
- Led concept development and styling with a focus on sustainability and brand storytelling.
- Supported final presentation and on-site installation at New Era headquarters.

COLLABORATIVE DESIGN PROJECTS

Buffalo State University | 2021 – 2024

- Engaged in faculty and peer critiques to refine design concepts and construction.
- Created graphic assets for branding projects blending fashion and digital media.
- Contribute to Buffalo State RUNWAY's Creative Team, designing sets, VIP lounge installations, and event branding using laser cutting and spatial design.

WORK EXPERIENCE

DELIVERY DRIVER- DOORDASH

Buffalo, NY | 2022 – 2024

- Completed nearly 3,000 deliveries with a perfect fulfillment rate, applying time management and customer service skills that translate to deadline-driven design environments.

STOCKER & UNPACKER – HOME DEPOT

Buffalo, NY | June 2020 – August 2020

- Prioritized and organized merchandise on overnight shifts, mirroring the discipline and accuracy essential in apparel sample organization and trims inventory.
